Professional career-experienced

a course taught by a teacher with practical experience

On practical contents related to class

Languag

using languages other than Japanese

Active learning elements

problem-solving-learning in cooperation with  
external organizations based on agreements

discussion,debate

group work

presentation

practical training,fieldwork

Class outline,goal

In this class, students will be instructed to understand the contents of volunteer activities and their actual conditions. It will also explain the knowledge and techniques for observing children and childcare sites. Afterwards, through participation in volunteer activities to support children, we aim to develop practical skills to understand the role of the local community in children's development and to observe the children and their activities.

Class plan

1. Orientation - Class procedures and evaluation methods
2. What is volunteer work?
3. Significance of child support activities
4. Observation and recording practices
5. Precautions for participating in volunteer activities
6. Participation in volunteer activities (1) - Participating in volunteer activities
7. Participation in volunteer activities (1) - Recording the activities
8. Report on the results of volunteer activities

9. Volunteer activity records and feedback
10. Participation in volunteer activities (2) - Participating in volunteer activities
11. Participation in volunteer activities (2) - Recording activities
12. Sexual minorities and gender (2)
13. Participation in volunteer activities(3) - Participating in volunteer activities
14. Participation in volunteer activities (3) - Recording activities
15. Summary and significance of volunteer activities
Grading method
The goals of this course are to (1) be able to observe and record children's words and actions. (2) develop an attitude to actively participate in volunteer activities related to childcare support. (3) understand the significance and content of local educational capabilities.
Assigned books
Materials will be distributed at each session.
Classroom equipment
projector, DVD
Advice on preparation and review
Research the facilities where you will be volunteering in advance. Prepare a report and review the contents of the activity.
Class rules
Never be late.
Grading Criteria
Your overall grade in the class will be decided based on the following; Fraction of in-class contribution: 40% Reports: 60%
Feedback method
I will make several comments about student discussions.
Note
This course will be taught in Japanese.
Office hour
Thu/4
Improvements from the results of the previous year's class evaluation questionnaire

In order to lower the psychological hurdle for students to participate in volunteer activities, this class will include simple hands-on activities.
