Class outline,goal

The purpose of this class is to learn a wide range of knowledge about social welfare, with a focus on child welfare, in order to understand the welfare aspect of the childcare profession. For this purpose, students will learn about the work of childcare workers as social welfare professionals and their expected social roles. Finally, the course aims to enable students to communicate their own views on issues related to childcare and social welfare.

Class plan

1. Orientation -Course plan and evaluation methods
2. Social welfare issues related to childcare and childrearing
3. Relationship between childcare and social welfare
4. History of Social Welfare and Development of Child Welfare
5. The concept and system of social security
6. Public finance and administration of social welfare
7. Kinds of social welfare facilities and their roles

8. What is Child and Family Support?
9. Issues in the welfare of people with disabilities
10. Issues of welfare for the elderly
11. Duties and Ethics of Social Welfare Professionals
12. Social Work in Childcare
13. Utilization of welfare services and third-party evaluation
14. Protection of children's rights and resolution of complaints
15. Prospects for Social Welfare and Child Care Workers
Grading method
The goals of this course are to (1) understand social welfare in contemporary Japan. (2) be able to discuss the work and role of childcare workers as social welfare professionals.
