NO.	Bb31043w、Bd31100w

Professional career-experienced

■　a course taught by a teacher with practical experience

On practical contents related to class

This class will focus on ensemble music. Utilizing my experience as a music teacher teaching ensembles and choruses, I will teach students how to collaborate through music.

Languag

☐　using languages other than Japanese

Active learning elements

☐　problem-solving-learning in cooperation with

external organizations based on agreements

☐　discussion,debate

■　group work

■　presentation

☐　practical training,fieldwork

Class outline,goal

The purpose of this class is for students to experience the joy of expression and to be able to think about how to put it into practice in the childcare field. In addition, the purpose of this class is for students to be able to empathize with the expressions of others through collaborating with them, and to learn how this can lead to richer expressions, as well as to acquire the ability to plan and execute musical activities for each seasonal event.

Class plan

1. Music Expression of Children

2. Overview of eurhythmics

Learn about the diversity of children's expression through video

3. Rhythm and Physical Activity

4. Rhythmic Game Experiences and Ideas
