Class outline,goal

We will learn how Japan's modernization, which was said to be a miracle of the world at the end of the 19 century, was achieved against the backdrop of the changing domestic political situation and the turbulent overseas situation.

Class plan

1. About Yoshida Shoin's Response as a Military Scientist to the Threat of European and American Expansion into Asia after the Opium War.

2. Shoin YOSHIDA was imprisoned and his actions were restricted.

3. International Crisis and Stage of Economic Development (Global Situation in the 19 Century).

4. On the impact of the opening of the country and political change

5. Exaltation of the Sonno Joi Movement and the First Choshu Expedition.

6. About the students of Shokasonjuku.(Discussion)

7. Role and achievements of the Choshu Five (Industry, industrialization, railways, and minting)

8. The Choshu War and the anti-shogunate movement.
9. Collapse of the shogunate and establishment of the Meiji government
10. The modernization policies. (Discussion)
11. Freedom and People's Rights Movement and the Meiji Constitutional System
12. Wars between China and Japan and between Russia and Japan
13. Industrial Revolution and Changes in Japanese Life
14. Establishment of the Ministry of Industry and the College of Engineering.
15. Role of engineering education through technology transfer in Europe and the United States after the Industrial Revolution.
Grading method
<ul style="list-style-type: none"> • To understand the process of modernization of Japan through the end of the Edo period and the Meiji Restoration, including the relationship with domestic and overseas situations.
Assigned books
Distribute materials as appropriate.
Classroom equipment
Power Point,dvd
Advice on preparation and review
Preparation: Read the handouts (about 10 minutes) Review: Exercise (around 20 minutes). I want you to read books related to the end of the Edo period and the Meiji Restoration.
Class rules
Nothing
Grading Criteria
Report submitted each time :70/100 Attitudes toward classes (such as expressing opinions and impressions): 30/100
Feedback method
The points of poor understanding in the task are explained in the class next week.
Note
Hagi is said to be a place of "restoration movement." In Hagi, think about Japan's modernization and the Edo period.
Office hour

Check the office hours.

Improvements from the results of the previous year's class evaluation questionnaire

open class

The state of preparation and review was not sufficient. For this reason, materials will be distributed in advance for preparation, and students will be encouraged to prepare and review lessons by devising the contents of assignments for review.
