Note

Learn to speak easy Korean and go on a summer school language experience.

Office hour

Please feel free to knock on my lab (Building 8) during 1st and 2nd period on Mondays.

Improvements from the results of the previous year's class evaluation questionnaire

I sometimes speak too fast in class. Some of the students said that they could not understand me at times because of this. In the future, I will try to break up my vocabulary to make it easier to understand and avoid speaking too fast.
